

BRAND Visual Comfort Modern

DESCRIPTION

The Vane Freejack Pendant takes the ubiquitous metal cylinder and forces it to undergo an intriguing upgrade by introducing an incredibly deep, weathered zinc finish. Its wonderfully imperfect signature texture is naturally created during a meticulous molten aluminum sand casting process that results in a noticeably thick shade which projects a truly iconic spacial impact. Compatible with 1-circuit Monorail or Freejack canopy. Supplied with six feet of field cuttable suspension cable and a Freejack connector. Freejack canopy required if used as a monopoint, sold separately. LED canopy compatible with both halogen and LED lamp options. Dimmer type dependent on system transformer (low voltage magnetic or electronic).

SHADE COLOR	Weathered Zinc
BODY FINISH	Satin Nickel
WATTAGE	8W
DIMMER	Dimmable
DIMENSIONS	82"L x 3"W x 10"H
INTEGRATED LED MODULE	
LAMP	1 x MR16/GU5.3 (bipin)/8W/12V LED
