Santa Barbara Dark Sky Outdoor Wall Light By Maxim Lighting

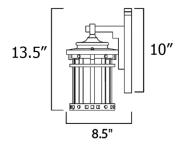

Description

Santa Barbara Dark Sky Outdoor Wall Light is a traditional, craftsman/mission style in Mocha glass with a die-cast aluminum body in a Sienna finish. The Dark Sky Ordinance was developed as an outdoor lighting standard that reduce glare, light trespass, and sky glow. Available in small and large sizes. One 100 watt, 120 volt A19 Medium base incandescent bulb is required, but not included. Wet location rated. Small: 7 inch width x 13 inch height x 8.5 inch depth. Large: 9 inch width x 16 inch height x 11 inch depth.

Shown in sienna / mocha
