# Tolomeo Mega Floor Lamp

By Artemide

## Description

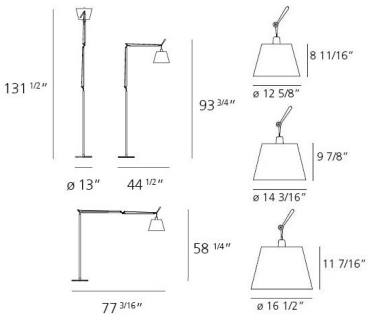

Make a grand statement with the Tolomeo Mega Floor Lamp, an oversized icon of contemporary design that delivers exceptional light and unparalleled adjustability. This commanding fixture features a fully adjustable articulated arm structure in extruded-aluminum, providing incredible reach and flexibility. The signature joints and tension control knobs in polished die-cast aluminum, along with tension cables in stainless steel, showcase the meticulous engineering and robust construction synonymous with the Tolomeo collection. Available with an Aluminum finish (paired with a Black, Parchment, or Grey Fiber shade) or a sleek Black finish (with a matching Black shade), the Tolomeo Mega offers versatile aesthetic options to suit any decor. A convenient dimmer and on/off switch are located on the cord, providing effortless control over your illumination. UL listed for safety, the Tolomeo Mega Floor Lamp is consistently lauded by customers for its architectural presence and remarkable functionality, making it the ultimate task or ambient lighting solution for expansive living rooms, open-plan offices, or large reading areas.
