Tolomeo Mega Task Lamp with Clamp

By Artemide

Description

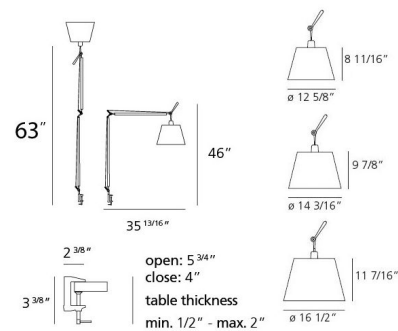

Unleash monumental illumination and flexible design in your workspace with the Tolomeo Mega Task Lamp with Clamp. This impressive fixture offers the expansive reach and iconic adjustability of the Tolomeo Mega series, seamlessly integrating into various environments via its sturdy clamp mounting option. Choose from a sophisticated Grey Fiber, sleek Black, or classic Parchment paper shade, each designed to cast a beautifully diffused light. The lamp boasts a refined polished aluminum finish throughout its fully adjustable, articulated arm, providing exceptional range and precise light positioning. The signature joints, tension control knobs, and mountings, crafted from polished die-cast aluminum, alongside robust stainless steel support cables, ensure unparalleled durability and smooth operation. The die-cast aluminum clamp offers a secure grip with a 2-inch maximum opening, adapting effortlessly to various desk or shelf thicknesses. A convenient dimmer is included on the cord, allowing for effortless brightness control. This powerful task lamp requires two 150-watt max 120-volt medium base bulbs (not included) and is available with a substantial shade in 12.6-inch, 14.1-inch, or 16.5-inch diameters, allowing you to customize its scale and light output. UL listed for safety, customers consistently laud its exceptional reach and stability and perfect illumination for large workspaces. Ideal for architects, designers, or anyone requiring extensive, adjustable lighting in a contemporary setting, the Tolomeo Mega Task Lamp with Clamp is a true powerhouse of design and functionality.
