Tolomeo Mega Wall Light with Diffuser

By Artemide

Description

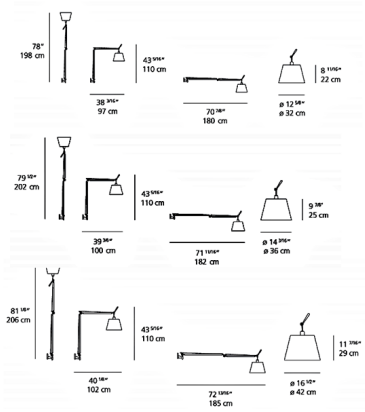

Make a grand, flexible statement with the Tolomeo Mega Wall Mount with Diffuser, an oversized and highly adjustable lighting solution designed to command attention. This impressive fixture features a fully adjustable, articulated arm that provides exceptional reach and precise light positioning. It integrates seamlessly into your wall via a J bracket for wall mounting on a junction box, ensuring a clean and sophisticated installation. Available in a versatile Aluminum body finish (paired with a Parchment, Silver Fiber, or sleek Black shade) or a sophisticated Black body finish (with a matching Black shade), the Tolomeo Mega offers versatile aesthetic options to complement any interior. A convenient dimmer is located on the cord, providing effortless control over your illumination. This versatile light offers the flexibility of being hardwired or plug-in, adapting to your specific installation needs. Customers consistently laud its dramatic scale and remarkable functionality for large spaces. Ideal for illuminating expansive living rooms, grand bedrooms, or as a powerful task light in a large home office, the Tolomeo Mega Wall Light with Diffuser embodies contemporary and transitional design, offering both monumental style and unparalleled adaptability.
