Tolomeo Mini Plug-In Wall Light By Artemide

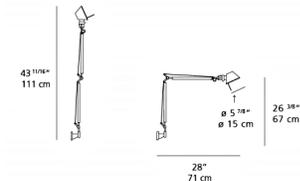

Description

Experience versatile and precise illumination with the Tolomeo Mini Plug-In Wall Light with S Bracket. This highly adaptable fixture features a fully articulated arm, body structure, and diffuser crafted from extruded natural anodized Aluminum, sleek Black, or crisp White, providing superior durability and a sleek, modern aesthetic. The signature joints and tension control knobs in polished die-cast aluminum, alongside robust stainless steel tension cables, ensure fluid movement and precise light positioning. Designed for convenient installation, this wall light utilizes a Type S bracket suitable for wall surface mounting with an integrated cord and plug, offering immediate functionality without hardwiring. The diffuser is impressively tiltable and rotates a full 360 degrees on the lampholder, giving you complete control over light direction. A convenient on/off switch is included for easy operation. UL listed for safety, customers consistently laud its flexibility for renters and excellent focused light. Perfect for bedside reading, task lighting in a small home office, or as an adaptable accent light, the Tolomeo Mini Plug-In Wall Light embodies contemporary and transitional design with practical versatility.
