

BRAND Juno Lighting

DESCRIPTION

UPF Pro-Fluorescent undercabinet series offers highly efficient illumination in a shallow, easy to conceal profile. Ideal for undercabinet, undershelf, and task lighting, where maximum energy efficiency, long lamp life, and cool operation are desired. State of the art 120V electronic ballast instantly starts lamp and operates without flicker or hum. Features a convenient on/off rocker switch. Diffuser is an extruded non-yellowing clear UV, impact resistant, acrylic lens. Available in 12, 22, 34, and 46 inch lengths. Finish available in black, brushed bronze, brushed silver, or designer white. One 28W T5 HE fluorescent lamp is included. UL listed.
