Port LED Round Wall/Floor Recessed

By PureEdge Lighting

Description

Port LED Round Wall/Floor Recessed fixture includes high powered warm white light with 3.5 watts, 12VAC LED, Warm White 3029K color temperature, 80CRI, 95 lumens. 70 percent lumen maintenance based on 50,000 hours of operation. Features a 16 degree precise focus, tempered glass lens with a marine-grade aluminum bevel edge trim in Satin Aluminum. Available with a round or square beveled edge. The Port LED is outdoor-rated using a wet location electrical box or indoor using a standard octagon electrical box, sold separately. The trim accepts dichroic color filters when used with PORT-LL(H) accessory, sold separately. Compatible remote power supplies include electronic low voltage TE-60L-12, or magnetic low voltage T-150-12 or T-300-12. Can dim down to 30 percent without flickering using low voltage electronic or magnetic dimmer, depending on transformer type used. Required junction box cover, wood spring clips (for installation in wood), and remote transformer, sold separately. Rated for wet locations when used with a wet location electrical box. ETL listed. Fixture includes a 5 year warranty. Note: Limited quantities available.
