Light Channel Snap & Light Jumper/Power Connector

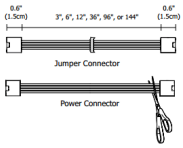

By PureEdge Lighting

Description

Light Channel Snap & Light Jumper or Power Connectors join two cut sections of LED Soft Strip end to end within the channel. Power connector is included with Light Channel (96 inch). Use as a jumper connector is optional and sold separately. Solderless connections provide easy installation and are compatible with Solderless Light Channel Connector accessories. Available in 3, 6, 12, 36, 96 or 144 inch length. To use as a power connector, cut and strip the wires.
