DESCRIPTION

The N. Ocho Wall Light, designed by Christophe Mathieu, is a sensual lamp that seduces the senses of light and touch. The Wenge or Oak wooden sphere of the lampshade is handcrafted to make each lamp unique. Its smooth texture has the quality and feel of a billiard ball, while its flexible arm, covered in Black braided fabric, is a mainstay that improves its look without sacrificing its efficacy. This reading lamp fulfills all the necessary criteria for perfect operation: efficient light, easy handling, durability, and beauty. It was designed specifically to respond to each of these requirements. On/off switch on canopy.
