## Kinetic Chandelier

By Modern Forms

### Description

Whether you think of gyroscopes, the atomic structure, or da Vinci's L'Uomo Vitruviano, the Kinetic Chandelier has deep roots in science, exemplified by brilliant edge-lit LED panels with silicone diffusers that broadcast 360-degrees of seamless, even light. Even better, those rings are rotatable for a personalized look. Slope ceiling adaptable. Hang straight swivels up to 90 degrees. Note: 60 Inch version requires a UL approved J-Box with a max 200 pounds to hang due to weight of fixture. Brass finish is not available in 60 inch diameter.

### Specifications

COLOR	N/A
BODY FINISH	Titanium
WATTAGE	202W
DIMMER	0-10V
