Vassar Ceiling Fan with Light

By Kichler

Description

With its simple curved profile and clean aesthetic, the Vassar Ceiling Fan with Light complements a range of design tastes. Its reversible blades offer a way to coordinate with the color tones of your space. A matching metal cap to cover the light is included. The included limited function wall control system enables 3 forward speeds, motor on/off, and lights on/off with full-range dimming. Reverse can be set using the switch on the fan. Optional controls and downrods are sold separately.
