Remote 60W 12V LED/Halogen Electronic Transformer

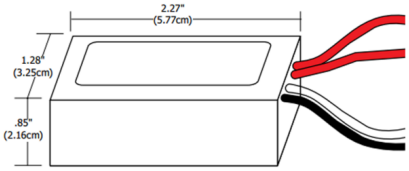

By PureEdge Lighting

Description

TE-60-12 60 Watt 12 Electronic Transformer converts standard 120 volt line voltage to 12 volts and features built-in short-circuit protection. The compact, lightweight remote power supply fits inside a standard electrical junction box behind a power feed canopy. Must be in accessible location or inside an electrical box. The single feed transformer is 12 volt AC LED and halogen compatible. Dimmable with a 300 watt low voltage electronic dimmer, sold separately. Compatible with Edge Lighting Puck and Dot undercabinet series fixtures. Note: Limited quantities available.
