Taccia Table Lamp

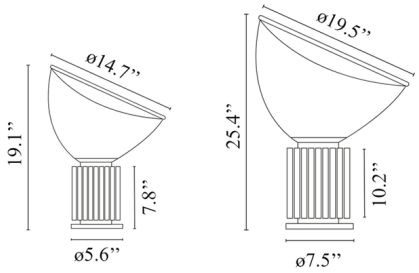

By FLOS

Description

The Taccia Table Lamp challenges our perspective with its illusion of an upside-down hanging lamp. A warm light, emitted upwards from the base, gets dispersed into your space by a matte white spun aluminum reflector and blown glass diffuser. Light direction can be adjusted by positioning the diffuser as needed. The reflector lamp design and ribbed base made of extruded aluminum impart an industrial aesthetic, making this lamp a chic modern addition to your living room, bedroom, or office. Note: The Matte White base finish is only available for the smaller size.

Shown in bronze / clear
