

BRANDCasablanca Fan

DESCRIPTION

Perseus Ceiling Fan with Light is a formal yet contemporary design. Named after the star constellation, this piece is inspired by 21st-century spacecraft design. The floating ring around the fan is something otherworldly, and this cosmic approach is carried throughout the design. The interplay between the earthly wood blades and the celestial metallic body is not quite like anything the world has seen before. Reversible motor allows you to change the direction of your fan from downdraft mode during the summer to updraft mode during the winter. Comes with a Brushed Nickel motor with walnut plastic blades or a Metallic SunSand motor with drift oak plastic blades and cased white glass. Features a 64 inch blade span. Comes with one 23 watt dimmable LED module, one 5 inch and one 12 inch downrod, and universal wall control. Lifetime motor warranty, one year parts and electronics warranty, and 120 day in home service. 64 inch width x 22.67 inch height.

Shown in: Brushed Nickel

SHADE COLOR	N/A
BODY FINISH	Brushed Nickel
WATTAGE	23W
DIMMER	Dimmable
DIMENSIONS	64"W x 22.67"H
INTEGRATED LED MODULE	
LAMP	1 x LED/120V LED
