Axial Ceiling Fan with Light By Casablanca Fan

Description

From classic to contemporary, the smooth lines of the Axial Ceiling Fan with Light will complement any large, indoor space. The clean housing finishes provide contrast to the rustic, farmhouse-inspired blades while the integrated, energy-efficient LED bulb illuminates the room. Reversible blades offer an alternate tone-on-tone combination, creating more options for your home's modern farmhouse decor. There's no question this simple, yet charming fan will keep you cool and content. Light kit included. Includes Wall Control for easy speed and lighting adjustment right from your wall switch.
