Sobre Plug In Task Lamp

By Koncept Lighting

Description

The Sobre Plug In Task Lamp rises above your work surface to provide both directed task lighting for reading and working. The LED light bar rotates to shine light directly on your desk or work area or rotates up for perfect, ambient light. Sobre mounts directly through the tabletop or clamps onto the side of the table to maximize workspace and is ideal for long tables in meeting rooms and offices or public areas. 1.3 inch maximum table thickness for through mounting, or 2.25 inch maximum tabletop thickness for clamp mounting. Includes cord with US plug and power supply. Note: Fixture can be hardwired with optional remote transformer, sold separately.
