Sobre Plug In Task Lamp w/Occupancy Sensor/Dimmer

By Koncept Lighting

Description

The Sobre Plug In Task Lamp rises above your work surface to provide directed task lighting for reading and working. The LED light bar rotates to shine light directly on your desk or work area or rotates up for ambient light. Sobre mounts directly through the table or clamps to the edge of the tabletop to maximize workspace and is ideal for long tables in offices, meeting rooms, or public areas. Includes a touchstrip dimmer hidden in the slim support stem to adjust brightness, as well as an occupancy sensor to automatically shut off when the room is empty. 1.3 inch maximum table thickness for through mounting, or 2.25 inch maximum thickness for clamp mounting. Includes cord with US plug and power supply. Note: Fixture can be hardwired with optional remote transformer, sold separately.
