## Z-Bar Honeycomb Pendant

By Koncept Lighting

### Description

The Z-Bar Honeycomb Pendant features six 360 degree independently rotating LED light bars configured in a hexagonal formation. The light bars are completely modular and can be configured to stack in multiple layers and can be stacked in a way that allows one Z-Bar configuration to shine direct light onto a desk or table, while another suspended above it can cast ambient light onto the ceiling for a soft glow. Available with 16 or 24 inch Matte White, Silver, or Matte Black light bars. Includes 120 inch suspension cables. UL and CUL listed. Optional acoustic panel accessory sold separately.
