Tamper Resistant Outlet By Legrand Radiant

Description

Radiant 15 Amp or 20 Amp Tamper Resistant
Receptacle is a step up from the standard with
simple, classic options in wiring devices, home
automation controls and screwless wall plates
that complement today's homes. Meets National
Electrical Code Tamper-Resistant requirements.
Protects children: patented shutter system helps
prevent improper insertion of foreign objects now
with black invisi-shutters for an invisible effect
preferred by end users. High-impact resistant
thermoplastic construction. Low profile face.
Note: Radiant Screwless wall plates are sold
separately.
