## Tamper Resistant Outlet By Legrand Radiant

### Description

Radiant 15 Amp or 20 Amp Tamper Resistant Receptacle is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes. Meets National Electrical Code Tamper-Resistant requirements. Protects children: patented shutter system helps prevent improper insertion of foreign objects now with black invis-shutters for an invisible effect preferred by end users. High-impact resistant thermoplastic construction. Low profile face. Note: Radiant Screwless wall plates are sold separately.

Shown in black
