15 Amp 3-Way Lighted Switch By Legrand Radiant

Description

Radiant 15A 3-Way Lighted Switch (illuminated when off) is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes. Smooth paddle action. High-impact resistant thermoplastic construction. External screw-pressure-plate back and side wired. Accepts 12 and 14 AWG. Push wire 14 AWG. Narrow back body leaves more room for wires in the box. Extra-long, through-body strap eliminates floating installations and imperfect applications. Easy-access green hex head ground screw. Tri-drive ground, terminal and mounting screws. On/off switches conform to NEC 430-104 requirements for kitchen and disposal units. Available in White, Light Almond, and Ivory. UL listed 1.43 inch width x 4.19 inch height x 1.27 inch depth. NOTE: RADIANT SCREWLESS WALL PLATE SOLD SEPARATELY.

Shown in light almond
