15 Amp 3-Way Switch

By Legrand Radiant

Description

Radiant 15A 3-Way Switch is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes. Smooth paddle action. High-impact resistant thermoplastic construction. External screw-pressure-plate back and side wired. Accepts 12 and #14 AWG. Push wire 14 AWG. Narrow back body leaves more room for wires in the box. Extra-long, through-body strap eliminates floating installations and imperfect applications. Easy-access green hex head ground screw. Tri-drive ground, terminal and mounting screws. On/off switches conform to NEC 430-104 requirements for kitchen and disposal units. Available in White, Light Almond, Grey, Graphite, Nickel, Dark Bronze, Black, Brown, and Ivory. UL listed NOTE: RADIANT SCREWLESS WALL PLATE SOLD SEPARATELY.
