MAKING SMART LIGHTS BRILLIANT

Enjoy complete control over your home's lighting.

Now you have the ability to control all lights inside and out, select lighting scenes for any mood or activity, and reduce energy costs at the touch of a button.

Forgot to turn lights off? No problem.

With Legrand's Lighting Control App, you can conveniently control your home's lighting from wherever you are - at home, or on vacation.

Set the scene for a perfect evening.

Scenes can be created to match your lifestyle. With the touch of a button, adjust multiple lights throughout the room or home to the perfect level for your dinner party.

Ensure your family is safe.

Light up a dark stairway or illuminate your front porch to ensure your family has a safe, bright path. Use the Repeater and Away Emulator to capture your typical lighting patterns and simulate them while you're away - a powerful security feature.\*
