Aplomb Large Pendant

By Foscarini

Description

Casting a wide downlight, the Aplomb Large Pendant lights up your space whether suspended as a single light or in multiples over a larger area. Its elegant, simple form balances out the chunky solidity of the textured cement composition, demonstrating a rough yet refined aesthetic. Pigments are added directly into the cement mix to achieve rich color, and the mix is hand-cast into a mold. The White pendant comes with a white canopy, and the other colors come with black.

Specifications
