Buds 1 Table Lamp

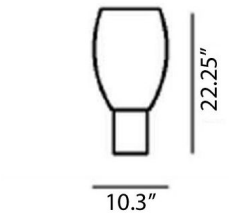

By Foscarini

Description

The Buds 1 Table Lamp features a hand-blown, five-layer glass diffuser with a glossy finish. A transparent plastic base elevates the shade and heightens the elegance of the design. Since the aperture of the glass is noticeable, the light bulb remains clearly in sight and thus plays an aesthetic role. For this reason, a retrofit LED bulb with a frosted globe with a maximum diameter of 4.8 inches should be used. On/Off switch on cord.

Shown in white

Specifications
