## Buds 2 Table Lamp

By Foscarini

### Description

The Buds 2 Table Lamp features a hand-blown five-layer glass diffuser with glossy finish. A transparent PMMA cylinder base elevates the shade and heightens the elegance of the design. Since the aperture of the glass is noticeable, the light bulb remains clearly in sight and thus plays an aesthetic role. For this reason, a retrofit LED light bulb with a frosted globe with a maximum diameter of 4.8 inches should be used. On/Off switch on cord.

Shown in gray

### Specifications
