Twice as Twiggy Floor Lamp

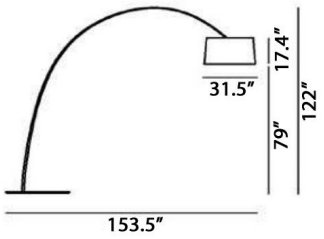

By Foscarini

Description

Foscarini's classic Twiggy Floor Lamp has grown and become over-sized in the Twice as Twiggy version: a significantly sized lamp dedicated to large rooms, which nevertheless retains the light-weight feel and flexibility of the original. Twice as Twiggy Floor Lamp is characterized by a thin, elegant, and sophisticated design with flexible material which defines the ample and essential curve of the arm that carries the light source far from the base, with the possibility of adjusting the height of the shade thanks to a system of counterweights. Available in White, Black, Indigo, Crimson, or Greige. Integrated 95 watt 120 volt LED light source. Dimmer included.

Shown in black
