Reflections 12 Inch IC Airtight New Construction Housing

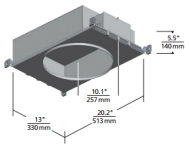

By Visual Comfort Architectural

Description

The Element Reflections 12 Inch IC Airtight New Construction Housing for use with flanged and flangeless trims. The Reflections collection redefines recessed lighting by allowing LED downlights to become an architectural component as well as a decorative design element. Available with a choice of five dome options (Bloom, Dune, Fleur, Skye or Torus), molded with embossed design details, providing glare-free LED illumination while creating an indirect soft ceiling glow. Includes 120/277V UNV dimming driver for electronic low voltage, 0-10V or TRIAC dimmers (see attached manufacturer reference for dimmer compatibility). 20.2 inch length x 13 inch width x 5.5 inch height. A complete fixture includes a housing and trim, sold separately.

Shown in steel
