Reflections 5IN Dune Indirect Downlight Trim

By Visual Comfort Architectural

Description

The Reflections Dune 5 Inch Indirect Downlight Trim is molded with an embossed design detail and is recessed into the ceiling plane acting as a reflector to hide the LED and deliver controlled indirect illumination. Available in flanged or flangeless ceiling plane options. Dune is molded with embossed design details creating concentric rings of reflected light reminiscent of rippling water or waves of sand. Includes a 9 watt LED module available with choice of 2700K, 3000K, 3500K or Warm Dim (3000K-2000K) color temperature. A complete fixture includes a housing and trim, sold separately. See housing for dimmer compatibility options.
