Reflections 8IN Skye Indirect Downlight Trim By Visual Comfort Architectural

Description

The Reflections Skye 8 Inch Indirect Downlight Trim is molded with an embossed design detail and is recessed into the ceiling plane acting as a reflector to hide the LED and deliver controlled indirect illumination. Available in flanged or flangeless ceiling plane options. Skye is molded with embossed design details and lives simply unadorned, where pure, reduced-glare indirect illumination is the ideal solution. Includes a 15 watt LED module available with choice of 2700K, 3000K, 3500K or Warm Dim (3000K-2000K) color temperature. A complete fixture includes a housing and trim, sold separately. See housing for dimmer compatibility options.
