Febe Wall / Ceiling Light

By Artemide

Description

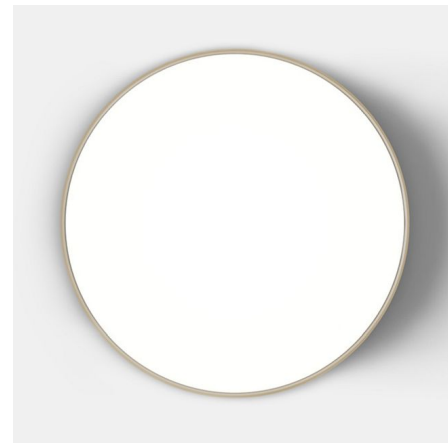

The Febe Wall / Ceiling Light is the epitome of minimalist design paired with maximum LED light performance, offering a powerful yet unobtrusive lighting solution for any room. Its simple yet strong presence allows it to seamlessly fit into any space, making it especially suited for enhancing the ambiance of residential interiors. This versatile fixture delivers illumination strong enough to light an entire room, providing effective ambient light without dominating your decor. A subtle yet striking design accent of Dove Grey or White is elegantly visible around the frame, adding a refined touch and a hint of color without overwhelming the clean aesthetic. For personalized comfort, the Febe Wall / Ceiling Light offers a choice of 2700K or 3000K color temperature, allowing you to tailor the light to either a warm, inviting glow or a crisp, neutral illumination. Whether mounted on the wall or ceiling, its adaptable design ensures it complements a wide range of interior styles while delivering consistent, high-quality light.
