Ameluna Suspension

By Artemide

Description

The Ameluna Suspension is a captivating and innovative lighting fixture that embodies a harmonious blend of technology and artistry, designed to create a truly unique luminous experience. At its core, an extruded heatsink gracefully runs around the body, discreetly housing the advanced LED strips that power its enchanting glow.The magic of Ameluna unfolds as light, reflected by thin PMMA (acrylic) elements, is then beautifully diffused by an outer ring of opaline PMMA. This intricate interplay of light and material creates a soft, embracing, and incredibly uniform illumination that seems to float effortlessly in your space, transforming the ambiance with its ethereal presence.Equipped with an integrated 46-watt 120-volt LED light source, the Ameluna Suspension offers powerful and energy-efficient illumination. This suspension light is a stunning focal point for dining areas, grand living spaces, or modern lobbies, promising to captivate and inspire.
