Demetra Micro Desk Lamp

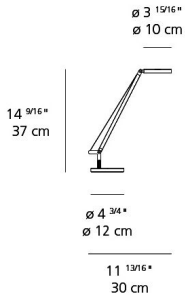

By Artemide

Description

Simple in concept yet highly sophisticated in execution, the Demetra Micro Desk Lamp is designed for the modern workspace, providing unparalleled adjustability and focused LED illumination. This elegant lamp features an adjustable, turnable, and tiltable head, ensuring you can direct its powerful light precisely where you need it most, enhancing productivity and visual comfort.The lamp also boasts an extending arm, allowing for direct LED light diffusion across your work surface, ideal for reading, writing, or detailed tasks. Crafted from high-quality aluminum, it is built for durability and refined aesthetics, available in sleek White, Matte Black, or Anthracite finishes to perfectly match your office decor.For personalized ambiance, the Demetra Micro Desk Lamp offers a choice of 2700K or 3000K color temperature, letting you select between a warm, cozy light or a crisp, clear illumination. An integrated dimmer switch on the head provides effortless control over brightness, allowing you to fine-tune your lighting environment with ease. This lamp is an essential tool for any home or business office seeking precise, adaptable, and stylish task lighting.
