La Petite Wall Light

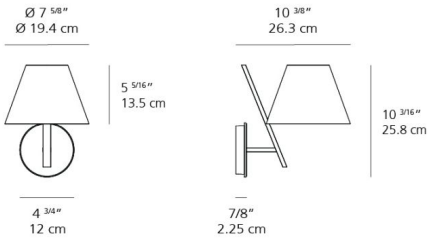

By Artemide

Description

The La Petite Wall Light showcases exquisite geometry and thoughtful design, featuring an archetypal lampshade elegantly balanced on a subtly tilted stem. This charming fixture brings a touch of modern sophistication and soft illumination to any wall.The lightweight plastic shade is intelligently designed with two integrated diffusers that work in tandem to produce pleasantly soft direct and indirect light. This dual emission ensures a beautifully balanced and comfortable glow that enhances your space without any harshness. The subtle tilt of the stem adds a dynamic visual element, distinguishing it from traditional wall sconces.Available in classic Black or White, the La Petite Wall Light offers versatile appeal to complement a range of interior aesthetics. This wall light is ideal for enhancing hallways, bedrooms, or creating inviting accent lighting in living areas.

Shown in polished black
