ART543005

BRAND Artemide

DESCRIPTION

La Petite Floor Lamp displays exquisite geometry with an archetypal lampshade balanced on a tilted stem. The lightweight plastic shade contains two diffusers that produce pleasantly soft direct and indirect light. The lampshade connects with the aluminium stem with minimal support whereby the tilted stem is counterbalanced by the lampshade's volume. Available in Black or White. One 12 watt max 120 volt medium base LED bulb is required, but not included. On/Off switch located on cord. 15 inch width x 63 inch height x 11.7 inch depth. UL listed.
