Wonton Swing Arm Wall Sconce

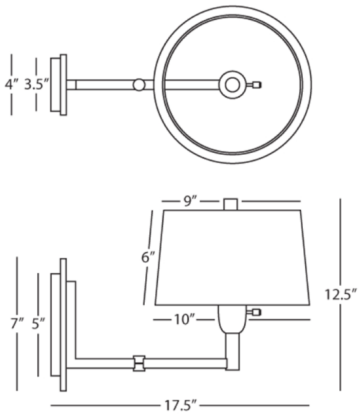

By Robert Abbey

Description

The Wonton Swing Arm Wall Sconce is a stylish and functional fixture that is perfect for adding a modern accent to a bedroom or living room. The sleek arm swings side to side to aim light for reading or other tasks. A tapered linen shade completes the look with a tailored accent and softens light for a warm, welcoming glow.Note: Canopy is only 3.5 inch wide and will not cover a standard US junction box - requires a 2x4 junction box for hardwire mount. Includes 144 inch cord and plug, and 24 inch cord cover for optional plug-in mounting.
