Multispot Tooby Mini Pendant with Round Flush Canopy By Fabbian

Description

The Multispot Tooby Basic Mini Pendant features a tubular shade with a minimalist light engine hidden within the glass structure. A 3-dimensional lighting effect is created by using an internal ribbed acrylic reflector the length of the tube coupled with a mirrored reflector at the base. The fixture appears to glow from within and showcases the extruded borosilicate (pyrex) glass. Features an anodized aluminum structure finish and a White painted metal flush canopy. Includes non-dimmable LED driver which fits inside junction box.
