PH 3 1/2 - 3 Glass Pendant

By Louis Poulsen

Description

The iconic PH 3 1/2 3 Glass Pendant, designed by Poul Henningsen, is based on the principle of a reflective three-shade system, which directs the majority of the light downwards. The shades are made of hand blown three-layer glass, which is glossy on top and sandblasted matte on the underside, giving a soft and diffuse light distribution.

Specifications
