Equatore Pendant By Fontana Arte

Description

The Equatore Pendant takes a classic silhouette and reinterprets it with a sleek glass shade and a seemingly empty interior, with light being emitted by two luminous discs placed inside a central metal band visible on the shade to create the equator. The lower discs provides downward lighting and the upper disc illuminates the glass shade to create a soft, diffused light. Available in Chrome with a Transparent glass shade, Gold with a Bronzed glass shade, Gloss Black with a Smoked glass shade, or Copper with a Pinkish glass shade.
