DESCRIPTION

The Z-Bar Solo Desk Lamp uses a single arm for a more compact design with an LED head able to fold flat against the body, swing up and down, and pivot left and right to shine light anywhere you want. Slide your finger along the built-in touchstrip to dim gradually, or touch anywhere on the strip to jump directly to any brightness, including off. Available with a Metallic Black or Silver finish. Integrated 8.5 watt 120 volt LED light source with choice of Warm White (3500K) or Cool White (4500K) color temperature. Available with a variety of base and mounting options: standard table base, table base with USB port, power base with AC outlet and USB outlet, grommet mount, through-table mount, one piece desk clamp, two piece desk clamp, hardwired wall mount, standard wall mount, or slatwall mount. UL listed.
