Pinecone Table Lamp

By Fontana Arte

Description

The Pinecone Table Lamp, designed by Paola Navone for Fontana Arte, has a striking appearance that will make an impact when illuminated or switched off. Featuring a blown glass diffuser created by using the ancient caged blown glass technique in which the glass maker blows the molten glass into a metal cage to only partially contain the glass's natural expansion. As a result the glass surface is partly trapped and is also able to partly escape the cage, which gives the diffuser the brilliant surface enhanced by this depth. Available in Transparent or Milky White acid-etched glass in a Gold or Chrome finish, in two sizes. Transparent cord with dimmer. CE listed.
