DESCRIPTION

With the King Arthur Mirror Dome Pendant, the legendary medieval King lives on, preserved within a dome. When lit up the domed mirrored glass disperses the light and reveals the subject. This playful lamp takes an icon of the past and gives it an unexpected modern twist. Here the skull wearing a golden crown is encased in glass as if it is a museum relic. 2-way mirrored glass containing a resin skull with a brass plated replica King Arthur Crown. LED module is included. 11.8 inch width x 15.7 inch height x 93 inch maximum length.
