DESCRIPTION

The Nori 4 Light Chandelier features vintage elements like beautifully cascading Driftwood Grey wood beads and the rustic flair of a Dark Weathered Zinc finish which brings rich texture to this classic fixture. A large Driftwood Grey wood bead suspends from the center of the frame, adding a touch of elegance to this traditional silhouette, making it work well in both formal and more casual settings. Alternatively, the chandelier may be installed with a round bottom cap, for a cleaner look. Four 60 watt max 120 volt candelabra base bulbs are required, but not included. 17.1 inch width x 29 inch height x 89 inch maximum length. ETL listed for damp locations.
