## Il Pezzo 3 Round Chandelier

By Il Pezzo Mancante

### Description

The Il Pezzo Mancante (The Missing Piece) 3 Round Chandelier was inspired by Arabic calligraphic art and the icon of the classic candelabrum. It is a hand-forged fixture with elegant stylized candles crafted from hand-blown crystal. The candles are illuminated by an ultra-modern LED source creating a sophisticated and romantic light. Every piece of Il Pezzo Mancante furniture and lighting comes with a small hidden brass cylinder, containing a serial number that seals authenticity and uniqueness. It's a celebration of ambition, a nod to the continuous research that moves us to new horizons. This piece is being used in famed designer Philippe Starck's hotels worldwide. Dimmable via TRIAC dimming. Note: Please specify overall height when ordering: 39.3 inches to 53.1 inches

Shown in polished gold / crystal

### Specifications

COLOR . . . . .	Crystal
