

DESIGNER Cosimo Terzani
BRAND Il Pezzo Mancante

DESCRIPTION

The Il Pezzo Mancante Wall Sconce is a hand-forged fixture with elegant stylized candles crafted from hand-blown crystal. The candles are illuminated by an ultra-modern LED source creating a sophisticated and romantic light. Every piece of Il Pezzo Mancante lighting comes with a small hidden brass cylinder, containing a serial number that seals the authenticity and uniqueness. It's a celebration of ambition, a nod to the continuous research that moves us to new horizons. It's the missing piece. Note: Includes a round 4.7 inch J-Box cover, not pictured.

Shown in: Polished Gold / Crystal
