

**BRAND** Smart & Green

**DESCRIPTION**

The Bass Bluetooth Wireless Lighted Coffee Table is great for cocktails. Featuring LED technology, it's both clever and practical. Includes a rechargeable battery with a charging dock that gives you 8 to 20 hours of use per charge depending on the light mode being used. Available in two sizes. Features red, blue and green the pre-defined colors. Dynamic mode with unlimited colors changing automatically. Also features yellow flickering candle effect. To perform tasks such as changing the color, timing, dimming, and even have multiple products communicate with each other, simply download the Smart and Green app. Using Bluetooth mesh technology without a WiFi network, you can control various scene modes from your own smartphone. Up to 24 hours or power in one charge. Charges in 6 hours. IP68 rated for wet locations.
