Dice LED Lamp

By Smart & Green

Description

The Dice is a portable small cube, as suggested by its name, made of waterproof, unbreakable White polyethylene. Includes 20 LEDs (8 white, 12 colors) featuring three pre-defined fixed colors (red, blue and green), white, and color scrolling. To perform tasks such as changing the color, timing, dimming, and even have multiple products communicate with each other, simply download the Smart and Green app. Using Bluetooth mesh technology without a WiFi network, you can control various scene modes from your own smartphone. Power: 0.5 watts. Includes battery charger.Features removable rechargeable batteries (3 AAA). 5 hours of battery charge for 5 to 8 hours of use, depending on the operating mode. 40,000 hour average lamp life. Includes handle for use with Strap It accessory. Remote control available, sold separately. Fixture does not have on/off functionality with Pebble Remote Control.IP68 rated for wet locations.50,000 hours life expectancy. Efficient energy saving light. Bluetooth connected.Note: This product is designed to float on water and can be used in pools and other wet locations. Do not charge when wet.
