Olio Portable Bluetooth Indoor / Outdoor LED Lamp By Smart & Green

Description

Olio Indoor/Outdoor Lamp is more than just a simple flower pot, it can be used for storage or as an accent table. It is water resistant, rechargeable, remote control operated, and offers four color modes - 7 static color modes: white, green, red, blue, yellow, turquoise, and purple, automatic color changing, or candle effect - yellow and blue flickering. To perform tasks such as changing the color, timing, dimming, and even have multiple products communicate with each other, simply download the Smart and Green app. Using Bluetooth mesh technology without a WiFi network, you can control various scene modes from your own smartphone. Battery requires 6 hours of charging for 8 to 24 hours of use, depending on use.50,000 hours life expectancy. Efficient energy saving light. Bluetooth connected. Note: This product is designed to float on water and can be used in pools and other wet locations. Do not charge when wet.
