Vessel 2 Portable Bluetooth Indoor / Outdoor LED Lamp

By Smart & Green

Description

The Vessel 2 Bluetooth Indoor/Outdoor Lamp is made of waterproof impact-resistant polyurethane and is a wireless, rechargeable and energy efficient lantern that can be used indoors or outdoors. Perfect for brightening up backyard barbecues and setting a romantic atmosphere poolside; it is designed to thrive in bad weather and has a guaranteed high resistance to shocks. Is also portable and easy to move indoors. Features four modes: 7 selected colors, 1 mode dynamic - unlimited colors, 2 candle effects - flickering yellow/blue, and intensity control. To perform tasks such as changing the color, timing, dimming, and even have multiple products communicate with each other, simply download the Smart and Green app. Using Bluetooth mesh technology without a WiFi network, you can control various scene modes from your own smartphone. Battery requires 6 hours of charging for up to 10 hours of use. Note: The 8 inch wide size is designed to float on water and can be used in pools and other wet locations. The 12 inch wide size is safe for use near pools and other wet locations, but it is not intended to be immersed or float on water. Do not charge when wet.
